EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Paula DeGrandis on 3/07/05. The application has been amended as follows:

Cancel claims 18 – 31, non-elected in paper #13.

The following is an examiner's statement of reasons for allowance: The now amended claims, with added constraint of less than 20 nephelometric turbidity units, as shown representative of fungal chitosan by the Fosdick declaration, with the arguments for fungal sources exclusively not suggested by the prior art, are seen as unobvious and unanticipated by the prior art.

.Any inquiry concerning this communication or earlier communications from the examiner should be directed to Neil Levy whose telephone number is 571-272-0619. The examiner can normally be reached on Tuesday-Friday, 7:00 am to 5:30 pm.
